

## 10/5/18 Music Class Updates

Dear family,

I am very excited to share that we are on our way to creating some great music in music class. The first five weeks have been spent practicing classroom routines and expectations and of course making music along the way! Each grade is doing different songs and activities, but every class has gotten the chance to make music in some way. Some highlights from the grade levels include:

K-2: Singing and Dancing, Playing with Egg Shakers, Scarves, and Maracas

3-5: Singing, Playing, Moving, Playing Instruments

6-8: Drumming, Learning about West African Drumming Culture

In the upcoming weeks, we will continue to practice classroom procedures and work on creating music in a fun, safe environment. If you have any questions, feel free to email me at [cprescott@eriecharterschool.org](mailto:cprescott@eriecharterschool.org).

I love making music with your young musicians!

In harmony,

Ms. Prescott
