Progress Reports: Progress Reports will be out on Monday. Please remember that we use a scale from 1-4, instead of letter grades.

Second Step: This week in Second Step students began talking about empathy. Understanding the feelings of peers in relation to their own is very important for social emotional growth. We've attached the Second Step Home Link for you to continue this exploration of feelings at home.

Weather: We go outside almost everyday, unless it is raining. Please make sure your child has the appropriate outerwear to be outside.
